

Child Labor and Platform Initiative

State: Madhya Pradesh (city:Bhopal, Itarsi and Katni)

Theme Focus Of The Project:

Child rights- Right to Participate, Develop, Protect and Survive

Population Coverage: 5021 (from 20 slums of Bhopal and 3 railway platforms)

Objective of the Programme:

- To ensure the rights of children of most marginalized community
- To form and sensitized community based organization who take lead role in planning and implementation of the plan in favour of community.
- Linkages and advocacy with concern department for ensuring the rights of children

Area Of Action:

Slums - In Slums Working As a child labour Initiatives -

Through this program we are working with those children Who are vulnerable we covered all issues which effect the life of children like child labour, either paid or unpaid, and is working within or outside the family, Malnourishment, gender discrimination abuses etc basically, we work for those a child who is deprived of the right to education , Protection and childhood. We also believe that the all

those issue of community needs to be addressed through community itself hence the major emphasis was given on strengthening of groups and built their capacity

1.Through this initiative we have working with their level:

- Women groups- 15 Groups (15 slums)
- Child Development Groups- 18 groups (in 17 slums)
- Adolescent Girls-(50 Child labor girls)
- Forms-Mahila Munch, Bal Panchayat

2. Initiative with children on railway Platforms:

- Family Tracing, Home Placement, Strengthening of Bal Adikar Mitra, Disha, Drug de-addiction and Home Placement, Networking with Organization, Efforts done by Girl Child at platform, Capacity building of Team, Networking with Government Institutions/Department, Railway Department, Special Juvenile Police Unit, Child Welfare Committee, Dist. Advisory Board, Shelter home (Girl), Police department (RPF/GRPF).
